ABOUT

The collections housed in the Mazie Hauck Frey Local History Center are an integral part of the county's heritage and are accessible for research on local genealogy and historical subjects.

Most resources in the Center are non-circulating. Microfilm readers and a photocopy machine are available with USB scanning. Copies are available for 25 cents each.

The library may accept donations of Family Histories, photographs from Putnam County, or any yearbooks from Putnam County Schools at the library's discretion.

Please contact the library to schedule an appointment for questions regarding resources or are need of assistance.
